Itinerary:

Day 1 Start your trip with the optional hot air balloon excursion (see above). Otherwise, we depart Windsor in the morning via luxury van. Our first stop is an ancient redwood preserve where we hike the cool, often fog-shrouded forest. Visit the oldest tree in the park, estimated to be over 1400 years old. Lunch will be on your own in downtown Guerneville, a rustic yet cultured town in the Russian River Valley. Spend the afternoon shopping or relaxing on the beach next to the river. A short drive brings us to Bodega Bay Lodge where we check in to our rooms. Dinner tonight is included and will be at Drake's Sonoma Coast at our Lodge.

Day 2 After breakfast we depart for our bike and hike tour, starting at Bodega Harbor. Bike past sailboats and beautiful coastline up to Bodega Head, a small rocky peninsula frequently visited by migrating whales. We hike along the bluffs offering stunning coastal views of the rugged shore below and islands inhabited by seals and birds. We stop for lunch at the #1 rated clam chowder house, then ride a short mile back. The afternoon is at your leisure. A gourmet picnic dinner along the beach concludes the evening.

Otherwise, try your hand at Rainbow Trout fishing. The afternoon will be spent at the beach with a gourmet picnic lunch. Kick off your shoes and walk along the 2 miles of white, soft sand.
